About 3 PM we begun the first game “Burst Balloons with BATOCO”

That game involved burst balloons with Revolution Kites. So, the children choose the balloon and the pilots burst it. Inside the all balloons where a lovely surprises to all participants.

The next game was “Pass the kite to somebody” that involved passing the kite between children as a race in a circuit. At the end of that game all children gain souvenirs.

May be you are wondering ¿What was the weather like? Well, the wind was strong and cold from southwest, the temperature was 5 degrees centigrade. Fortunately the sun was present all day.

Despite the challenging climatic conditions about 4:30 PM, we began with kite demonstration until 6 PM.

“El Fabuloso Team” opened flying their routine in time to the music. ¡Wow! “El Alma del Piloto” flew Multiple Kite (two stunt kites - one pilot), particularly this routine was accompany with “Sedai Band” on live.

“Sedai Band” played the song called “Uchina” that it means Anthem. Imaging, pilot and band in unison on live ¡Wow, Wow!

To close the Festival “El Team Tropita” our youngest kite flyers, flew perfectly its routine in time of music. ¡Wow, Wow, Wow!

As the day comes to a close, the crowd was continued flying its kites. ¡Wow, Wow, Wow, Wow!

Friends of mine... I think that definitely was a wonderful and special Festival...we showed the “kite way to our children”.

Best wishes,
